Protect:

... **Our Environment.** Medications disposed of down the toilet or in the trash end up in our water supplies and damage our environment.

... **Our Teens** from an epidemic of Rx abuse. 7 of the 10 most commonly abused drugs by teenagers are prescription medications. Teens get dangerous drugs from family and friends & their medicine cabinets.

... **Our Seniors** from misuse and abuse.

... **Our Young Children** from a leading cause of accidental poisoning.

**This Take Back event is made possible by the following: Drug Enforcement Agency,
Grass Valley Police & Coalition for a Drug Free Nevada County**
